Instructions

YOU ARE REQUIRED to complete this form if you are repaying your Direct Loans under the Income Contingent Repayment (ICR) Plan and:

- You are in your first year of repayment on a Direct Loan;
You are in your second year of repayment on a Direct Loan and have been notified that alternative documentation of your income is required; or
You have been notified that the Internal Revenue Service (IRS) is unable to provide the U.S. Department of Education (the Department) with your Adjusted Gross Income (AGI) or that of your spouse (if you are married).

YOU MAY complete this form if:

- You are repaying your Direct Loans under the ICR Plan and your AGI, as reported on your most recently filed federal tax return, or that of your spouse (if you are married) does not reasonably reflect your current income.
Your AGI and your spouse's AGI (if you are married) does not reflect your current income and ability to repay your loan(s) in circumstances such as loss or change of employment by you or your spouse (if you are married).

In cases where alternative documentation of your income is used, the amount of your monthly payment under the ICR Plan is based on the current income information you and your spouse (if you are married) provide and is reevaluated annually. To submit alternative documentation of your income, you must attach the required documentation, complete and sign this form, and return it to the address on the back of this form. If you are married, your spouse also must complete and sign the applicable sections of this form and submit the required documentation. If you need assistance, please call 1-800-848-0979, or TDD 1-800-848-0983.
